**CONTINUATION OF COMPLAINT:****Ricardo CORTEZ-Renteria****PROBABLE CAUSE STATEMENT**

On July 30, 2008, Border Patrol Agent N. Johnson was performing uniformed line watch duties in an area Northeast of the Otay Mesa, California Port of Entry. At approximately 8:00 p.m., Agent Johnson responded to a seismic intrusion device in the area. Upon arriving in the area and after a brief search, Agent Johnson found four individuals hiding. Agent Johnson approached these individuals and identified himself as a United States Border Patrol Agent and questioned all four individuals, including one later identified as the defendant **Ricardo CORTEZ-Renteria**, as to their citizenship and nationality. All four admitted to being citizens and nationals of Mexico without any immigration documents to be or remain in the United States legally. All four subjects including the defendant were arrested and transported to the Chula Vista Border Patrol Station for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico** on **02/28/2001** through **El Paso, Texas**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.
